We'd like to give you notice that from the end of October 2017 we're starting to introduce a faster cheque processing system. This is part of an industry-wide change that all UK banks and building societies will adopt by the end of 2018. This means that when you make a payment to your credit card account by cheque, the time to clear your cheque may be quicker than current timescales.

Your minimum payment should reach your account by 29 Mar 2018.

Minimum Payment

If you make only the minimum payment each month, it will take you longer and cost you more to clear your balance.

If you are unable to pay the minimum payment or are in financial difficulty, please contact us on 0345 8354482. For all other enquiries, please call the number on the reverse of your statement.

If you make the minimum payment of £5.00 and it reaches us on the due date of 29 March 2018 your estimated interest payment next month is £0.57. Please refer overleaf for further details.
