Dear Mr Muzivani, Ms Muzivani,

## Your gas and electricity prices will be increasing. Here's what it means for you.

The price you'll pay for your gas and electricity will be going up on 11th July 2018 due to the continued increase in costs associated with supplying energy. Also, from this date we will no longer offer our paperless billing discount, so you'll pay an additional £12 per year. For more information and our frequently asked questions please visit [sse.co.uk/yourenergy](http://sse.co.uk/yourenergy)
