2013-2014

Personal Trainer

Holmes Place Prague

Key Responsibilities: To work closely with clients to develop exercise programs to meet their needs. Ongoing support and relationship development very important to maximise the experience for those training.

2012-2013

Project Manager

Ministry of Health

Key Responsibilities: This role was a Special Project to develop processes and systems to improve communication between hospitals throughout Czech Republic. Integrated file sharing the key outcome of this role

2002-2012

Police officer

Lieutenant Colonel at the Police Presidium (Police Headquarters)

Department for the Regulation of Weapons and Ammunition.

My career started as a Police Officer progressing over the 10 years of service to the rank of Lieutenant Colonel. During this time I had many roles or projects that are the foundation of the type of person I am now. My last posting focused on the law regarding weapons and the use of weapons. I worked with all departments, in particular Prosecution and the support from a legal perspective

Education

Police Academy – Prague, Czech Republic

Drone Pilot's Licence

Personal Trainer's course

In Conclusion

I am an extremely organised person who enjoys new challenges. The employment experiences I have had to date allows my ability to contribute to any business, in many ways and on multiple levels. I'm excited to be in New Zealand and look forward to experiences in the future.
