PERSONAL INFORMATION

I'm very ambitious, enthusiastic, and energetic and have a real love for life. Through all my travels and all my experiences, I have learned that life is what you make of it. I am always excited about a challenge and to test myself against the toughest circumstances. I feel it lets me know on how far I have come as a person and as an adult. I have also learned that nothing in life that is worth having comes easy. That is why I'm always willing to work hard and to contribute. I like my sports and outdoor life which include fishing and camping. I am a Christian and I believe Jesus is my Lord and Saviour and that I can do anything through Him that gives me Strength. I'm married with no children (So far). I'm also a strong believer in family.
