Vehicle Security

Overnight Risk Address	SILVERTON - PRETORIA - GTG
Tracking Device	NO
Immobiliser	YES Factory Fitted
Anti-Hijack Unit	NO

Conditions of Cover

- You must ensure that all security devices noted are installed/applied and in full working condition at all times in order to have theft and hijack cover.
- Theft and Hijack cover is conditional upon the factory-fitted vehicle security system in the vehicle being in full working order at all times. There will be no cover for theft or hijack if at the time of loss the factory-fitted security system was not in full working order.
- Cover is conditional upon the inspection of the vehicle. The premium will be collected on the agreed date irrespective of whether confirmation of inspection has been received by MiWay. It is your responsibility to ensure the vehicle gets inspected as you will have no cover until that has been done.
- The "DO NOT TOW" sticker provides access to approved towing services in the event of an accident. The sticker identifies that the vehicle is covered by MiWay and only MiWay's approved towing operators may tow the vehicle after an insured event. Authorisation for towing must be obtained from the MiHelp Call Centre on 08600 767 64 to ensure the safe removal and storage of the vehicle and that towing costs are not incurred by you. A sticker can be collected from your nearest PG Glass branch. The sticker must be positioned in such a way not to obstruct or restrict the driver's view.
