ABOUT ME

I am a clean, honest and hardworking Individual, who always tries to get the most out of life.

My dreams include finding a solution to the world energy crisis by means of renewable energy and to get my PhD in Linguistics, to narrow down the communication gap between the many Nations of the world.

Some of my hobbies include playing musical instruments (Guitar, Piano Etc.), writing music and dog training.

I also like volunteering at animal shelters to satisfy my compassion for all creatures.

My Strengths are many and weaknesses few, but are as listed below:

Strengths:

Highly Intelligent.

Extremely fast learner.

Skilled in many areas.

Strong Leader.

Fine eye for detail.

Motivated.

Determined.

Energetic.

Hard working.

Good with independent work, Great with teamwork.

Widely Socially Accepted.

Timely.

Weaknesses:

Impatient.

Easily Annoyed.
