Even if you don't receive a statement every month, you must pay the total due amount to avoid any discounted interest rate granted by the Credit Provider being terminated and maximum allowed interest rate being charged. Your account needs to be up to date every month to ensure continued Club and Insurance benefits and cover. Default interest at 7.00%p.a. will be added to overdue accounts. A fee of R50.00 will be charged for each replacement card requested.

Due to your election to be placed under Debt Review and Counselling, you may no longer make any purchases on your account, and all your insurances and financial services products and clubs have been cancelled.
